

## Committees

Committee membership is a wonderful way to contribute to the ongoing success of our organization. Chairs of IACRN committees would welcome enquiries from new members. Check our website at [www.iacrn.org](http://www.iacrn.org) and committee pages to learn more about how to get involved:

- [Chapter Governance Committee](#)
- [Conference Planning Committee](#)
- [Education Committee](#)
- [Membership, Marketing & Communications Committee](#)
- [Nominations Committee](#)
- [Research Committee](#)
- [Scopes and Standards Committee](#)

## Local Chapters

Extensive information and guidance is available for members wishing to develop local IACRN Chapters. Check our website for details of current Chapters and how to proceed. It is a great framework for supporting clinical research nurses.

## Annual Conference

IACRN hosts an annual 2 full-day conference with an additional pre-conference day of stimulating activities. Join research nurse colleagues from around the world to share best practices, network and learn together in a vibrant environment. Abstracts for posters and podium presentations are welcome. See our website at [www.iacrn.org](http://www.iacrn.org) for up-to-date information on this year's conference.

## Follow us on Twitter @IACRN

Check the website for trending hashtags and our exciting social media initiatives.

## What can IACRN do for you?

As a member of IACRN, you are part of the only global organization dedicated to supporting clinical research nurses.

### Top Reasons to join IACRN

- **Networking** - The opportunity to expand your professional network and share knowledge, information, and resources with clinical research nursing colleagues in industry, academia, and internationally.
- **Sharing Best Practices** - A forum for discussion and dissemination of information, education, and best practices at IACRN's annual professional meeting.
- **Educational Offerings** - Annual Conference, newsletters, webcasts on demand and live webinars (on demand), IACRN members receive FREE or at discounted rates.
- **Professional Growth** - Assist in developing, disseminating, and promoting nationally and internationally accepted practices for clinical research nursing.

### Top Reasons to join IACRN

- **Advocacy** - for Clinical Research Nurses - giving you influence and support in your profession, your practice, and your workplace.
- **Resources** - Keeping you up-to-date on the latest issues and trends impacting you as a clinical research nurse.
- **Member Directory** - Giving you access to other Clinical Research Nurses from around the globe.
- **Research** - Engagement in cutting edge research defining the scope and standard of clinical research nursing.
- **Local Chapters** - Share information and attend local networking and educational events with colleagues.

*IACRN does not use member dues for political or lobbying purposes.*

### Our Mission:

The International Association of Clinical Research Nurses (IACRN) is a professional nursing organization. Its purpose is to define, validate and advance clinical research nursing as a specialty practice and to support the professional development of registered nurses who directly or indirectly impact the care of clinical research participants.
