2018 Conference Program

10th Anniversary Conference

International Association of Clinical Research Nurses

Celebrating the Many Faces of Clinical Research Nurse Advocacy

DoubleTree Hotel
Arlington, Virginia USA

October 15-17, 2018
Dear Friend and Colleague,

It is with great enthusiasm that I personally welcome you to the 10th International Association of Clinical Research Nurses’ Annual Conference in Arlington Virginia, as we ‘Celebrate the Many Faces of Clinical Research Nurse Advocacy’

In celebration of our 10th Anniversary IACRN will be hosting a 3-day conference this year, offering many more opportunities to network with international clinical research nurses, forums for discussion and exchange best practices, and a chance to learn from experts. There will be many prominent speakers, along with information-packed workshops. We would be delighted to have you join us at this conference to hear what our national and international colleagues have to share about clinical research.

As IACRN makes strides to advance clinical research nursing practice globally, I encourage you to become involved; assist in developing, disseminating, and promoting nationally and internationally accepted practices for clinical research nursing. You will hear important updates from the Board and Committee Chairs at the conference that may help you identify an area of interest.

I look forward to the opportunity to learn and celebrate clinical research nursing with you!

Most Sincerely,

Mary Jane Williams, DNP, MPH, RN, NE-BC

Continuing Nursing Education Information

Disclosures to Participants

This continuing nursing education activity was approved by the Ohio Nurses Association, an accredited approver of continuing nursing education by the American Nurses Credentialing Center’s commission on Accreditation. (OBN-001-91).

Successful Completion of this Continuing Nursing Education (CNE) Activity

In order to receive contact-hour credit for this CNE activity, you must:

- Check in at the registration desk; obtain a name badge and registration packet.
- Attend the entire session of which you wish to receive CNE credit.
- Complete an electronic evaluation which will be sent to you by October 24th and will need to be completed by Nov 9, 2018.
- The number of CNE credits you receive will be based on the sessions you attended in entirety as self-reported on the evaluation.
- Your CNE certificate will be sent via email after the total hours have been calculated. If you have completed the evaluation and have not received a certificate by December 1st, please email iacrn@iacrn.org.

Conflict of Interest

A conflict of interest occurs when an individual has an opportunity to affect educational content about health-care products or services of a commercial company with which she/he has a financial relationship. The planning committee members and conference presenters have disclosed whether any relevant professional, person or financial relations related to the planning or implementation of this CNE activity exits. To our best knowledge, no conflicts of interest exist for this conference.

Non-Endorsement of Products

Approval of this CNE activity refers only to the continuing nursing education activity and does not imply a real or implied endorsement by the International Association of Clinical Research Nurses, the Ohio Nurses Association, or the American Nurses Credentialing Center (ANCC) of any commercial product, service or company referred to or displayed in conjunction with this activity, nor any company subsidizing costs related to this activity.

Non-Commercial Support

IACRN received financial support from Rockefeller University, Massachusetts General Hospital Research Institute, Wool Consulting Group, Massachusetts General Hospital Research Institute, Dana-Farber Cancer Institute, Medstar Health Institute, Massachusetts Institute of Patient Care and The Ohio State University College of Nursing as sponsors and/or exhibitors at this conference. This sponsorship does not imply a real or implied endorsement of any product, service, or company referred to in the activity nor any company subsidizing costs related to the activity.

Instructions for Poll Everywhere

There are a few sessions this year that will use an automated response system. We will be using Poll Everywhere. There are 3 options for responding which are listed below:

1. Respond using the Poll Everywhere app (preferred option)
   - Select “I’m participating”, then add the username: sdevine179
   - You can then select your response

2. Text response (for US phones)
   - Start a new message
   - Text sdevine179 to 22333 to join once
   - Once you receive a reply, you can text your response once poll appears on the slide

3. Respond via the webpage (suggested for non-US phones)
   - Visit pollev.com/sdevine179
   - Wait for the poll to appear, and respond with a click

Our Vision
Enhancing clinical research quality and safety through specialized nursing practice.

Our Mission
The International Association of Clinical Research Nurses is a professional nursing organization. Its purpose is to define, validate and advance clinical research nursing as a specialty practice and to support the professional development of registered nurses who directly or indirectly impact the care of clinical research participants across all clinical specialties.

Our Members
Clinical Research Nursing is the specialized practice of professional nursing focused on maintaining equilibrium between care of the research participant and fidelity to the research protocol. This specialty practice incorporates human subject protection, care coordination and continuity, contribution to clinical science, clinical practice, and study management throughout a variety of professional roles, practice settings, and clinical specialties.
