## Committee Member Spotlight

### Diane Branham, BSN, RN

Nurse Manager  
Colorado Clinical Translational Science Institute  
Denver, Colorado

Chair of the Chapter Development Committee

Diane's advise to a new research nurse is "pay attention and enjoy the journey!" In addition to, "most of all, I would tell them that to be a part of something which 'makes a difference' in someone else's life will be your greatest career achievement".

### Elizabeth (Liz) Ness, RN, MS

Director of Education and Compliance at the National  
Cancer Institute Center for Cancer Research  
Bethesda, Maryland

Education Committee member

When asked where she sees the future role of the research nurse Liz says, "I would like to see more research focusing on the value added of a nurse in many of the roles within the clinical research expertise. We need to advocate for the roles nurses can hold in clinical research".
