8th Annual Conference - Call for Abstracts

The Call for Abstracts
8th Annual Conference

*"Clinical Research Nursing:
Embodying Team Science for Participant-Focused Care"*

IS OPEN!

The deadline to submit an abstract is **May 1, 5:00 PM (ET)**.

Please [click here](#) for full application guidelines and descriptions.

For a link to the IACRN webinar, "Writing a Conference Abstract" [click here](#).

For a link to other "Resources for Abstract and Poster Development" [click here](#).

When you click on the link, follow the instructions carefully. You will have to click on the "submit an abstract" link and then will be asked to register as a first time user. Once you are registered, you will receive an email with further instructions.

Please be aware that you may go back in and edit your submission at any time up until the deadline to submit,
May 1, 2015.

If you have any questions regarding the Abstract Submission System, please feel free to contact Helaine Labovitz at hlabovitz@iacrn.org.

Register Now!

Committee Chairs Meeting

March 22, 2016

By Catherine Griffith

The IACRN Committee Chairs quarterly meeting was held via teleconference on March 22, 2016 with representation from the IACRN subcommittees. An impressive level of activity is occurring at the IACRN Committee Level which may be invisible to the IACRN general membership. The following summary has been included in the newsletter this month as a way to update IACRN members on activities of your organization and to make the membership aware of opportunities to get involved. Please contact IACRN@IACRN.org if you would like to join any of these committees.

The IACRN Subcommittee List with Co-chairs:

2016 DCRNA Nominations

IACRN Call for Nominations for

2016 Distinguished Clinical Research Nurse Award

Purpose:

The IACRN seeks to honor a leader in clinical research nursing who exemplifies the mission of IACRN to define, validate and advance clinical research nursing as a specialty practice and to support the professional development of registered nurses who directly or indirectly impact the care of the clinical research participant.

Award:

The Award Recipient will be recognized at the Annual IACRN Conference and will be invited to give the Distinguished Clinical Research Nurse lecture to the membership at the Annual IACRN conference.

The Call for Nominations is now open and will close on Wednesday, June 1, 2016.

To learn more about the nomination process, please [click here](#).
To download the Application Form, please [click here](#).
