PRESIDENT'S MESSAGE

Hello! I am still energized by the enthusiasm generated at this year's conference! With pride I watched the attendees and presenters network and engage to further the mission of IACRN. Planning for our 10th Anniversary meeting, the 2018 Conference, has begun. There will be a call for volunteers soon and all are encouraged to participate in planning this celebration! The committees are hard at work accomplishing this year's goals and planning for the future. Please [consider joining a committee](#) if you are not already a member. As a volunteer organization, the accomplishments of our committees are vitally important to the forward progress of IACRN. We are in our annual election cycle so please take a moment to complete your ballot. With warm regards, Meg

New Members This Month

IACRN 9TH ANNUAL CONFERENCE RE-CAP

As all of you know, we concluded our IACRN 9th Annual Conference on October 20th, 2017. We had a wonderful turnout this year with a number of new attendees and new members! Welcome to all of you!

167 Attendees | 83 First Time Attendees | 38 New Members!

We would also like to extend another congratulations to our Poster Winners

1st Place: [Antiemetic Regimens for Patients Receiving Sacituzumab Govitecan \(IMMU-132\)](#) - Clare Worth, BSN, RN, OCN (middle in photo)

3rd Place: [Management of Hyperglycemia in Cancer Patients Receiving PIK3 Inhibitors](#) - Sarah Colella, BSN, RN (right in photo)

MARKETING COMMITTEE UPDATE

Kicking off 2018 Task Forces!

The accomplishments of 2017 were impressive, let's kick off 2018 with a bang and make next year's goals reality! In order to make IACRN shine and spread the word about our growing specialty, the Marketing Committee would like to form two task forces for the following goals: 1. Developing our brand and 2. Creating an App to improve our networking & resources.

Now you're thinking...I have no experience with that, guess I'll wait for the next task force announcement. Well guess what!?! You don't need any experience. If you are committed to your specialty and eager to see IACRN grow, I guarantee your ideas and creativity will make these goals possible!

Please contact Cameron Sze at Cameron_Sze@dfci.harvard.edu and JOIN US!

*I ask that you commit 6 months time to either group. Meeting will be held via teleconference every other week. Further details to come!
