IACRN NEW YEAR'S CHALLENGE

As we embrace 2018, let's spread the word!

After reflection of another incredible year, we continue to march! I am looking forward to an exciting year and incredible opportunities we have within our network of highly skilled and knowledgeable CRNs. To second the words of our Spotlight Member, Noriko, I say it's time IACRN took on a new year's challenge. It is evident via our newsletters and conference attendance that our membership continues to grow. In all our experiences as research nurses, wives, husbands, or parents... it takes a village! Recognizing the power behind numbers and the advancements made this last year along with our goals as an organization for 2018, let's come together and spread the word!

In 2018, as we approach our 10th Anniversary, **I challenge us as a collective whole to DOUBLE our new active memberships!** Believe it or not, in 2017 we more than doubled our active new members with a total of 133 in 2017 compared to a total of 52 in 2016. Given our growth this year, another 130 members is nothing! Sincerely, Your President, *Mary Jane Williams*

FREE IACRN MEMBERSHIP

IACRN has a program that enables members to earn a complimentary membership each year. Simply speak with your friends and colleagues and recruit them! If five people join IACRN between January 1, 2018 and December 31, 2018, and list you as their referral source on their membership application, your membership for the following year will be free! You may never have to pay membership dues again. Don't miss out on this fabulous opportunity.
