

Research Nurse, Oncology Research, FT, 8A-4:30P / Job Id117887

Boca Raton Regional Hospital, 800 Meadows Rd Boca Raton, FL 33486

Baptist Health has a commitment to strengthening the compassionate care we provide. With the addition of Boca Raton Regional Hospital, Baptist Health is able to provide the Palm Beach community expanded access to healthcare services.

Boca Raton Regional Hospital is an advanced tertiary medical center with 400 beds and is a recognized leader in Cardiovascular Care, Oncology, Women's Health, Orthopedics, Emergency Medicine and the Neurosciences, all of which offer state-of-the-art diagnostic and imaging capabilities. The Hospital is now a part of Baptist Health South Florida is the region's largest not-for-profit healthcare organization with more than 23,000 employees working across 11 hospital campuses and more than 100 outpatient facilities throughout Miami-Dade, Monroe, Broward, and Palm Beach counties. In 2016 we welcomed the newest weapon in the fight against cancer, the world-class Miami Cancer Institute and proton therapy center.

Baptist Health South Florida is once again one of the 2021 Fortune 100 Best Companies to Work For! This is the 21st time Baptist Health has been recognized on the list. We have also been recognized for being among the best healthcare providers in the nation by U.S. News & World Reports in its 2020-2021 Best Hospitals report and have been honored as one of PEOPLE's 2020 50 Companies That Care by PEOPLE magazine and Great Place to Work.

Everything we do at Baptist Health, we do to the best of our ability. That includes supporting our team with extensive training programs, millions of dollars in tuition assistance, comprehensive benefits and more. Working within our award-winning culture means getting the respect and support you need to do your best work ever. Find out why this is the best place to be your best!
