

## You are Invited to Join the Boston-New England Chapter of IACRN for their Meeting and Educational Webinar

### **COVID-19 Research in the Center for Virology & Vaccine Research: Lessons Learned**

Thursday, June 3, 2021

5:30 – 7:00 PM ET

*(Meeting from 5:30 to approximately 5:45 PM with educational  
session immediately following)*

The COVID-19 pandemic has resulted in unprecedented research worldwide and has highlighted the importance and challenges of pandemic research and for clinical research nurses. This webinar will present a review of COVID-19 clinical trials conducted by the Center for Virology and Vaccine Research (CVVR) department at Beth Israel Deaconess Medical Center (BIDMC). In addition, a discussion of lessons learned from these trials and on how the team adapted to the challenges of conducting clinical trials during a pandemic.
